(“Tintina” or the “Company”) (TSX.V:“TAU”; OTCQX: “TINTF”) is pleased to announce that it has closed its previously announced transaction with Sandfire Resources NL which today purchased 80 million units of the Company at a price of \$0.20 per unit for gross proceeds of \$16 million.

Sandfire is an Australian Securities Exchange listed company based in Perth, Australia and the owner and operator of the DeGrussa Copper-Gold Mine. For further details regarding the transaction please see the Company’s news release dated August 27, 2014. Following the closing, the Company will have cash on hand of approximately \$17.8 million with approximately 222 million shares outstanding.

Mr. Bruce Hooper, Sandfire's Chief Business Development Officer, has been appointed President and Chief Executive Officer and a director of Tintina on a secondment basis, in place of Mr. Gerald Booth, Tintina’s Interim CEO and a director, who was planning to retire. Tintina would like to thank Mr. Booth for the contributions he has made to the Company and wishes him all the best in his retirement.

Sandfire has advised the Company that Sandfire will nominate a second individual as a director of the Company pursuant to the rights granted to Sandfire in connection with the private placement in due course.

Directors Mr. Ken Collison and Mr. Steven Khan have resigned concurrently with the closing of the transaction, but will continue in a consulting capacity. Mr. Rick Van Nieuwenhuysse will continue as a director and non-Executive Chairman.

The securities issued or issuable under the private placement are subject to a four month hold period expiring January 13, 2015.
